PERSONAL SUMMARY

Shopify Developer with 4+ years in the Shopify ecosystem — custom themes, Shopify Plus, checkout extensibility, and CRO. Building high-performance ecommerce stores. I specialize in custom theme development, Shopify Plus implementations, and checkout extensibility — always with conversion optimization in mind. Full-stack background (Laravel, Vue.js, React) supports stronger theme architecture, Metafields, and GraphQL Admin API integrations.

EXPERIENCE

➤ **Developer (Full-Time)** | December 2022 – September 2026

Growmodo GmbH
